## *Fun And Celebration*

**Dear Parents,**

Winter is here. It is the season of cold chilly breeze, foggy mornings, loads of warm hugs, cuddling in quilts, knitted hats, cups of hot chocolate and holiday. It is the season that makes our little Prideens look even more beautiful and cute as they come packed up as small teddy's in winter pullovers, caps, and jackets.

Winter is the season of believing in magic, in your dreams, in others and believing in Santa Claus. It is the season of kindness, sharing, fun and celebration. Our Prideens and their teachers are gearing up to celebrate the birth of Jesus Christ, meet Santa Claus and welcome the New Year with enthusiasm.

## ACADEMICS

Toys are children's favorite belongings. Also, they serve as interesting tools for learning. Through the theme 'I Love Toys', in various contexts, we help children develop a variety of skills across several domains of development.

### *Physical Development:*

Focus would be laid on developing gross motor and fine-motor skills through activities like Hopscotch Fun, Toy Relay Races, Dancing, free-play with clay/play dough, coloring, finger printing and many more.

### *Language Development*

To develop readiness for listening, speaking & reading skills, children would be encouraged to share and talk about their favorite toys, listen to stories, rhymes and videos

### *Cognitive Development*

Children in this age group learn the best through their senses. They are involved in the following activities like identifying the missing toys, matching the toys etc to enhance their skill of observation.

### *Socio-emotional Development*

Children interact with their peers. They form a bond with other classmates as they participate in various activities. They play with their peers using the toys they get from home.

## ***Christmas Celebration***

Christmas-the birth of Lord Jesus Christ will be celebrated on 24th December'19. Children will dance and sing to Christmas carols. They will also enjoy cutting the cake and will have a gala time with Santa Claus. Kindly dress up the child as Santa Claus or a Fairy.

## ***I Feel Special Today, It's My Birthday***

To have all the attention of his/her friends and teachers is the most precious birthday gift for a child. We will celebrate the birthday of December born children with cake, gifts and fun. Grandparents and parents are cordially invited for the party. Invitation card and details would be sent later.
