Raise The Togetherness

Dear Parents,

Children have an inquisitive mind and find learning in their little daily activities. This month, our Prideens would be given opportunities to explore the environment- the existing world of vehicles and puppets. They would also engage themselves in interactive sessions to share their experiences and thoughts with their peer group. Without any doubt, childhood is the most joyful, memorable and happiest time for every person. November is a time to celebrate childhood. Together, Prideens would celebrate the festival of lights, the birthday of Chacha Nehru and bow their heads and seek blessings from Guru Nanak Devji.
