Dear Parents,

We, at Mother's Pride, not only believe in providing an enriching and stimulating experience to our children but we also celebrate each moment they spend with us.

Festivals have been an integral part of our culture and upbringing. The month of August brings an entire array of emotions for our Prideens as they join together feeling proud of the nation's Independence, understand the beautiful bond amongst friends, the relationship between brothers and sisters and enjoy the little mischief of Lord Krishna.
