Happy New Year!!

Dear Parents,

We are overwhelmed that the entire family of Mother's Pride is back after winter vacations and we take immense pleasure in wishing you all a very happy and prosperous New Year. The days are once again going to be filled with laughter, positivity, love and warmth as each child would share the fun-filled memories from their winter break.

This month under the theme of "Animals", we would introduce children to different animals. The context of animals provides a rich opportunity for children to build not only their concept of animals but also add a lot to their vocabulary and expression, through a variety of story narration and dramatizations. Children will also be introduced to the pre-number concept Up and Down, number 8 through animals using concrete and pictorial teaching learning material. Children will engage in experiential activities practice counting and quantification of numbers.
