Fun and Learning At School

Dear Parents,

A warm welcome to all our Prideens. Hope you all had a refreshing and fun filled 'Summer Break'.

The month of July is filled with loads of exciting and enriching activities for our Prideens. The activities of the month will revolve around the theme 'People Around Us'. The theme 'People Around Us' centre's on relationships that children share with the people in their immediate social environment.

EVENTS OF THE MONTH

Class Presentation

We strongly believe that every child is born unique and possess a particular talent. To celebrate and showcase the geniuses in every child, our young Prideens would be performing individually and in group in their class presentation. It would be a delight to see them recite rhymes, show their taekwondo moves together with their classmates, getting busy with the computers and having fun while solving puzzles and building towers. Schedule for the same would be shared with you later.

Recitation Competition

In the series of Miss & Master Mother's Pride, Prideens would participate in their first competition –Recitation Competition to be held in the month of July/August' 19. Children would be encouraged to introduce themselves and recite English and Hindi rhymes each.

Rain Dance

It's the time to beat the summer heat. Dressed in their swimming costumes and swanky gears, our little ones will sing, dance and splash around with their friends, making the most of this delightful experience. Rain Dance Activity will be conducted in July' 19. The dates will be communicated through weekly note. Kindly ensure that the child is present for the activity and wears proper swimming costume under his/her clothes. Send a labeled towel and a dress in a separate small bag.

I feel special today, it's my birthday!

To have all the attention of his/her friends and teachers is the most precious birthday gift for a child. We will celebrate the birthday of June and July born children with cake, gifts and fun. Grandparents & parents are cordially invited for the party. Invitation card and details would be sent later.

CONCEPT OF THE MONTH

People Around Us

This month we will expand the circle of interaction of children, the most significant influence after the family is the school and other people they interact with in their daily lives. We will be conducting various activities for the understanding of the concept. Children will learn about their school, talk about the school routine, and other aspects of what they like or dislike.

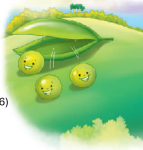

- **My School Activity:** Children would be shown different areas of the school.
- **Driver:** Our Prideens interact with the school cab driver and get to know about his role.
- **Pretend Play:** They are sensitized about the people who help us in different ways like teachers, doctors, barbers, maids, etc. They enact the role and share their thoughts and experiences.
- **"Thank You":** Children are encouraged to make thank you cards for the school didi's and give it to them.

Pre Reading & Writing Skills

Children will engage in a variety of listening, speaking and pre-reading tasks in the class. Through various stories and rhymes, children will be engaged in activities like picture reading, book-handling etc:

- **Letters:** Children would be introduced to letters “e” and “f”.
- **Stories:** 3 peas
- **Rhymes:** Wheels of the Bus
(Jingling Rhymes Pg 31) Kilkari (Pg 4 and 6)

Pre Number Skills

Pre Number skills provide the base for understanding numbers and thus are done before introducing numbers to children. They develop observation skills and visual discrimination skills. Pre Number skills are developed with activities like:

- **Big and Small**

Children will be introduced to number “3” through various number games and activities

Introduction To Shape: Circle

Children would be introduced to the shape through various activities like:

- Playing with hoopla Ring
- Sorting of objects
- Creating “circle” shape with clay

Revision : Colours & Shapes

Children play several games to revise the concept of Blue and Red colours.

Education Through Computers

Focus will be given on different skills required to handle mouse like clicking and dragging.

Fitness Mantra

Healthy mind resides in a healthy body, this month our kids will learn:

- BHRAMARI in Yoga
- Body balancing exercises on one leg, double punches, side rising kicks in Taek-won-do

Circle Time

Circle time is the time of bonding and connecting with the whole class. Children sit together in one large circle and engage in group activities. It also helps develop a positive attitude towards themselves, their peers and the school. Children will talk about the story and recall their interactions with their teachers.
