## ***Raise The Spirit!!***

Dear Parents,

We, at Mother's Pride, believe in providing a holistic experience to our little Prideens. Holistic experience includes learning new things, discovering talents and having loads of fun. Using the integrated curriculum approach, we take up different activities through a theme every month to introduce several concepts to our children and inculcate skills such as observation skills, language skills, etc.

It is equally important to imbibe values and social responsiveness. This month, our Prideens would be paying a tribute to their teachers on Teacher's Day. We would also be witnessing the true spirit of sportsmanship in our young Olympians as they participate in the Annual Sports Day with great vigor and enthusiasm.
