Raise The Spirit!!

Dear Parents,

We, at Mother's Pride, believe in providing a holistic experience to our little Prideens. Holistic experience includes learning new things, discovering talents and having loads of fun. Using the integrated curriculum approach, we take up different activities through a theme every month to introduce several concepts to our children and inculcate skills such as observation skills, language skills, etc.

It is equally important to imbibe values and social responsiveness. This month, our Prideens would be paying a tribute to their teachers on Teacher's Day. We would also be witnessing the true spirit of sportsmanship in our young Olympians as they participate in the Annual Sports Day with great vigor and enthusiasm.

EVENTS OF THE MONTH

Teacher's Day

Teachers have an influencing role in the life of every student.

What we learn from our teacher's remains with us, throughout our life.

The birth anniversary of former President of India, Dr. Sarvepalli Radhakrishnan is observed as Teacher's Day on **5th September' 19.**

We will be celebrating Teacher's day on **4th September' 19.**

Kindly send your child dressed like their teachers.

Parent Teacher Meeting

We believe that our parents are our partners in the growth of the child and Parent Teacher Meetings are one such platform to enhance the relationship. The Parent Teacher Meeting for the Term April-August would be held this month. Details for date and time would be sent through weekly circular.

Annual Sports Day

Mother's Pride recognizes the importance of sports and physical activity in a child's life. Sports not just provide a medium for exercise but is also important in the socio-emotional growth of children. With an aim to build self-esteem, team spirit and confidence amongst our little Prideens, Sports Day will be organized in the month of September. The fun filled day will include activities like Balloon race, Clown race, taekwondo and various other drills and exercises.

Time for Picnic

Children will go for a fun filled picnic for the Term April–August. They will reach school at their usual time in the morning but will be late by 2.5 hours in the afternoon. You are requested not to send bag, water bottle on this day, however you may send some light snacks in a carry bag properly labeled with the child's name. Kindly ensure that the child wears the picnic vest and I-card on that day. Details for date and time would be sent through weekly circular.

I feel special today, it's my birthday!

We will celebrate birthday of September born children this month. Children will enjoy cake cutting followed by a dance party. Invitation along with date and time would be sent through weekly circular.

CIRCLE TIME

Students at this age learn by interacting and being with each other. Circle Time is one such opportunity. This month, we will focus on listening to each other, increasing the attention span and building vocabulary. This will in turn build their confidence, respect for others' views and the ability to express.

Some activities that students will do in this month are:

- Show and tell
- Story making
- Take initiatives
- Share experiences with classmates
- Develop and enhance listening skills and vocabulary
- Enjoy rhythm and develop gross motor skills
